Sir:

This is an amendment responsive to the Office Action of December 31, 2002, in the above-identified patent application. A petition for an appropriate extension of time is filed herewith.

I. Introductory Remarks

Applicants appreciate the Examiner's careful review of the application. Applicants have amended some of the claims and the disclosure to address at least some of the objections and rejections included in the Office Action. None of these amendments is related to patentability of Applicants' claimed invention.
